Symposium**

March 31 - April 1, 2023

Dear Colleague,

The success of the annual Toronto Breast Surgery Symposium and Aesthetic Plastic Surgery Symposium has been due to the combination of excellent speakers, enthusiastic participants, and the contributions of our generous supporters. Both symposia continue to grow each year, with over 200 surgeons and their health professionals attending annually.

The 20th Annual Toronto Breast Surgery Symposium and the 50th Annual Aesthetic Plastic Surgery Symposium will be conducted on March 30, 2023 and March 31 - April 1, 2023 respectively. The meetings will be held at the Omni King Edward Hotel in Toronto.

We expect another great turn out, as the Breast and Aesthetic Plastic Surgery Symposia welcome renowned faculty members from across Canada, the United States, and internationally.

Supporter details can be found in the side panel. Space is limited, priority on conference floor will be given to level of commitments and time of commitment.

To confirm your commitment, please contact Natalie Halsband via e-mail at natalie.halsband@utoronto.ca

On behalf of everyone involved with these two exciting symposia, we thank you for your consideration.
